MEMORANDUM ENDORSED

By ECF

The Honorable Gregory H. Woods
United States District Judge
Southern District of New York
United States Courthouse
500 Pearl Street
New York, New York 10007

Re: **United States v. Jeffrey Hastings**, 20 Cr. 534 (GHW)

Dear Judge Woods:

Defendant Jeffrey Hastings respectfully requests a 30-day extension of his report date from January 30, 2022 to March 1, 2022 to allow (i) Mr. Hastings to treat and stabilize his serious medical conditions before his term of incarceration begins, and (ii) the Bureau of Prison (“BOP”) to designate Mr. Hastings to a facility that is capable of treating his medical conditions. The Government has represented to undersigned counsel that it takes no position on this request.

Summary of Recent Medical History

As the Court is aware, Mr. Hastings suffers from numerous serious health conditions,

[REDACTED]

[REDACTED]

Request for 30-Day Extension of Mr. Hastings's Report Date

Mr. Hastings's [REDACTED] would be exacerbated by travel. Further, Mr. Hastings has not yet been designated by the BOP to report to any federal facility, so there is serious risk that if Mr. Hastings were to report to the U.S. Marshal's Service in New York City, his medical conditions would be untreated and may become life threatening. This is especially so in light of the COVID-19 Omicron wave, in which New York has a 18.6 percent statewide positivity rate.¹ An additional 30 days should allow Mr. Hastings sufficient time to discuss and choose a treatment plan to address his new and worsening medical issues, and allow additional time for BOP to designate Mr. Hastings to a facility that can adequately care for his medical conditions.

Accordingly, Mr. Hastings respectfully requests a 30-day extension to report to the BOP to allow him to seek treatment and stabilization of [REDACTED] and to allow the BOP to designate him to a medical facility that is able to treat his medical conditions.

Respectfully submitted,

/s/ Michael S. Dry
